

## THE HIMALAYAN

Himalayan Group of Industries is one of the major packaging and plastic goods solutions provider company in India. The group started its journey in the year 2001 with coal trading and further diversified into various industrial sectors like coal mining, steel manufacturing through blast furnace route, power plant, coke ovens and shipping. Presently we have operations in Australia, Indonesia, South Africa, Canada, Singapore and Zimbabwe in addition to India.

We started our packaging division in the year 2006 with the name and style of Himalayan Packaging Industries (P) Ltd. at Selaqui, Dehradun to manufacture PET/PP/PC/HDPE bottles being used in Pharma, FMCG, lubes, liquor and other various Industry.

In the later days of our inception we merged in a new venture **Himalayan Polysports (P) Ltd. At Mandideep, Bhopal** to cater our proficient services to the sports category and related products with our quality and enormous production capacity. **Our core focus is to develop OEM products for the sports fraternity to conquer the markets with the Brand they cater to the market.** We have our present initiation with some of the big names in the sports industry and look forward to initiate and serve the needs of Sports Goods buyers who along with us believe in quality products. Our OEM services cater to develop new products for the buyers keeping up to the design and necessary requirement of the industry.

We have the capabilities of customizing and developing new products and our skilled workforce and state-of-the-art technology ensures quality product with most recent technology delivered to the customers.

**HIMAX CONE 6 INCH**  
Made of plastic 6 inch height  
HC-600

**HIMAX CONE 9 INCH**  
Made of plastic 9 inch height  
HC-900.

**HIMAX CONE 15 INCH**  
Made of plastic 15 inch height  
HC-150.

**HIMAX CONE 12 INCH**  
Made of plastic 12 inch height  
HC-120.

**HIMAX CONE 18 INCH HOLES**  
Made of plastic 18 inch height  
with holes to hold poles  
HC-180H.

**HIMAX CONE 15 INCH HOLES**  
Made of plastic 15 inch height  
with holes to hold poles  
HC-150H.

**HIMAX CONE 2 INCH**  
Made of plastic 2 inch height  
HC-200.

**HIMAX CONE 2 INCH CONCAVE**  
Made of plastic 2 inch height  
HC-200C.

**HIMAX CONE 3 INCH**  
Made of plastic 3 inch height  
HC-300.

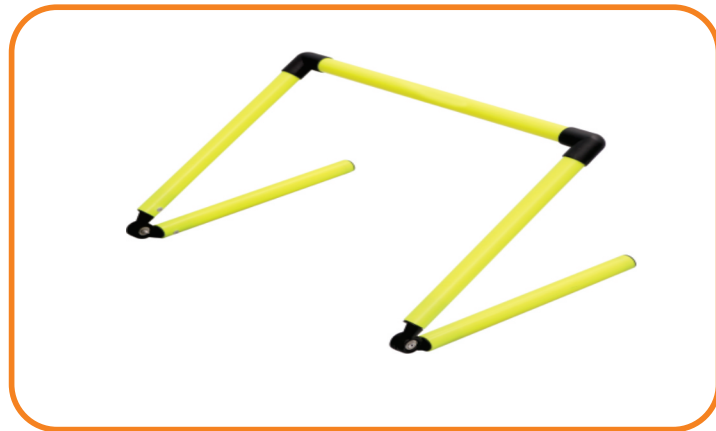

**HIMAX CONE 3.5 INCH**  
Made of plastic 3.5 inch height  
HC-350.

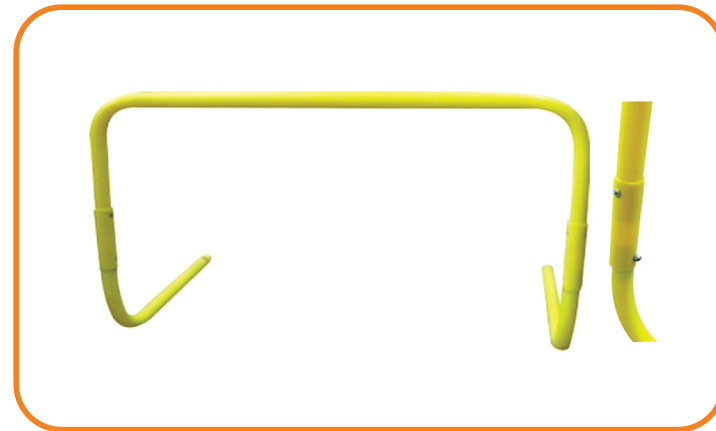

**HIMAX CONE 9 INCH SLOT**  
Made of plastic 9 inch  
height with slits  
HC-900S.

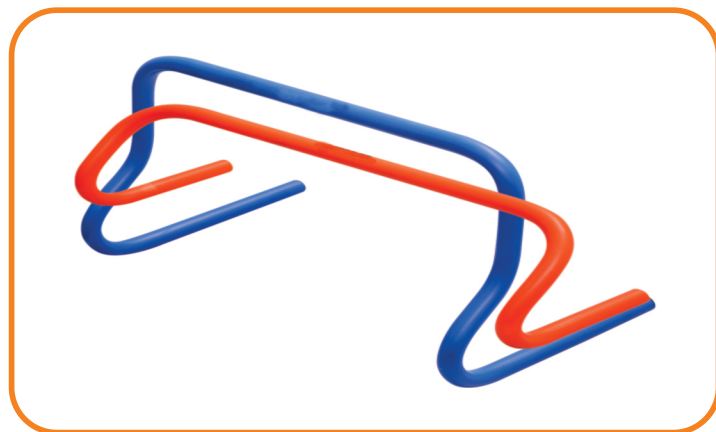

**HIMAX CONE 6 INCH HOLES**  
Made of plastic 6 inch height  
with holes to hold poles.  
HC-600H

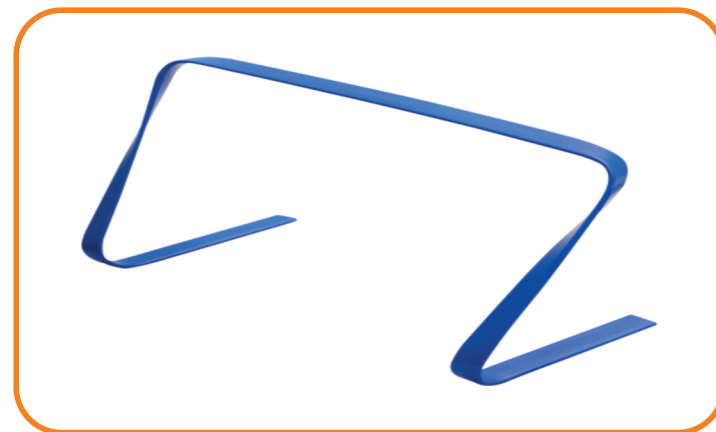

**HIMAX HURDLE BEND 4.0**  
Made of plastic tube 25mm dia  
and can be used for different  
height adjustment.

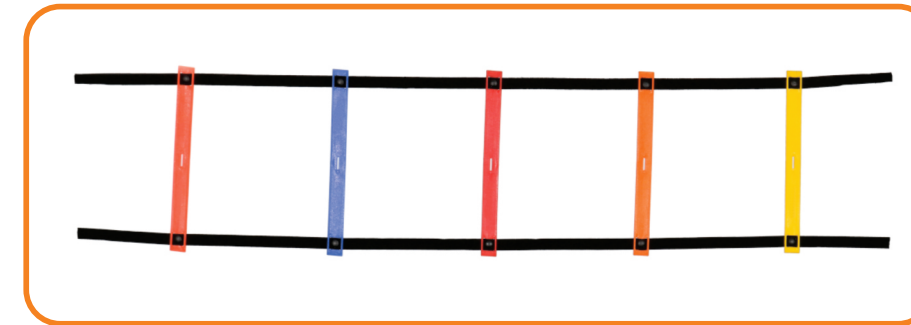

**HIMAX HURDLE ROTA 3.0**  
Made of plastic tube 25mm dia,  
foldable bounce back feature.

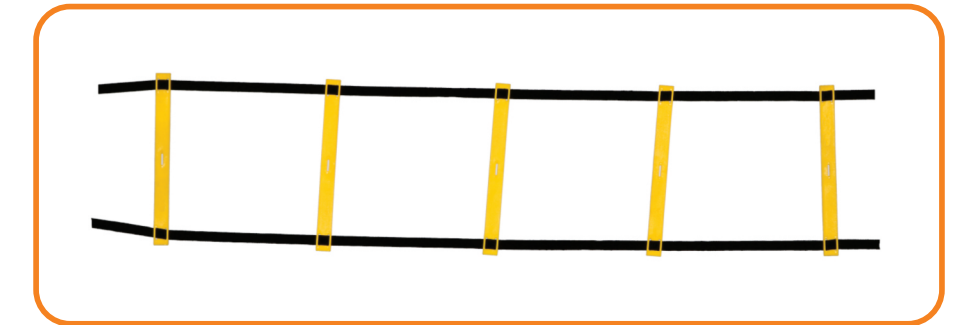

**HIMAX HURDLE ROUND 1.0**  
Made of plastic tube with 18mm and  
20mm dia, used for training.

**HIMAX HURDLE FLAT 2.0**  
Made of flat plastic 25mm wide and  
can be used for training.

**HIMAX LADDER FLAT FIX 1.0**  
Made of plastic rungs with webbing.  
HLFF-1400  
HLFF-1600  
HLFF-1900

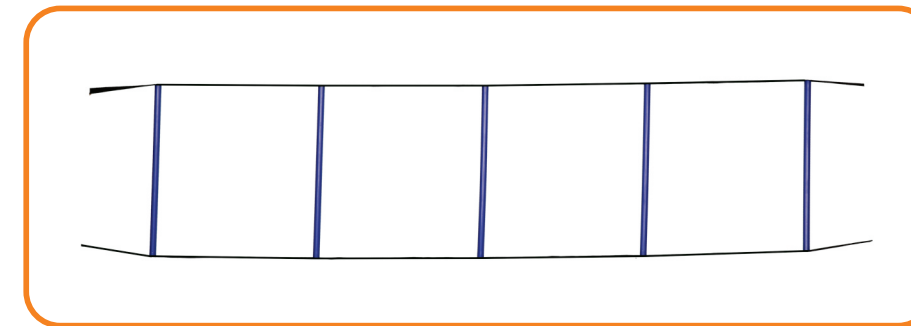

**HIMAX LADDER FLAT MOVABLE 2.0**  
Made of plastic rungs with webbing.  
HLFM-2400  
HLFM-2600  
HLFM-2900

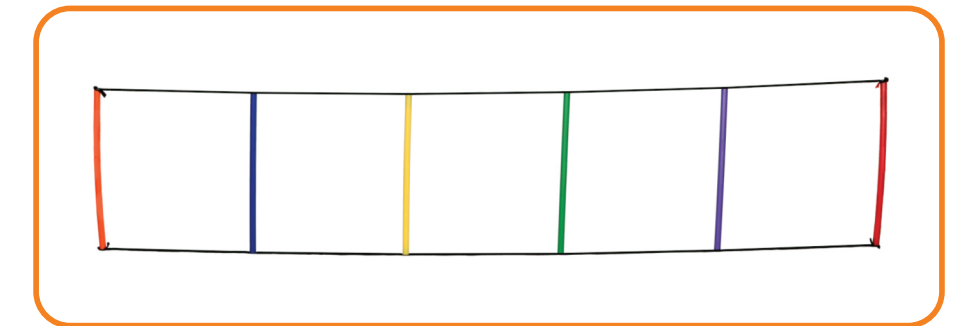

**HIMAX LADDER FLAT FIX MULTI 1.0**  
Made of plastic rungs with webbing.  
HLFFM-1400  
HLFFM-1600  
HLFFM-1900

**HIMAX LADDER FLAT MOVABLE MULTI 2.0**  
Made of plastic rungs with webbing.  
HLFMM-2400  
HLFMM-2600

**HIMAX LADDER ROUND 1.0**  
Made of tubular plastic rungs with webbing.  
HLR-1400  
HLR-1600  
HLR-1900

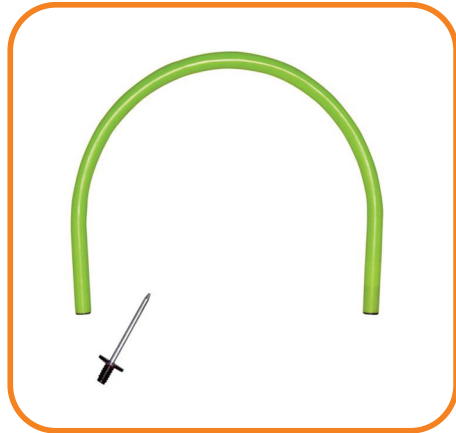

**HIMAX LADDER ROUND MULTI 2.0**  
Made of tubular plastic rungs with webbing.  
HLRM-2400  
HLRM-2600  
HLRM-1900

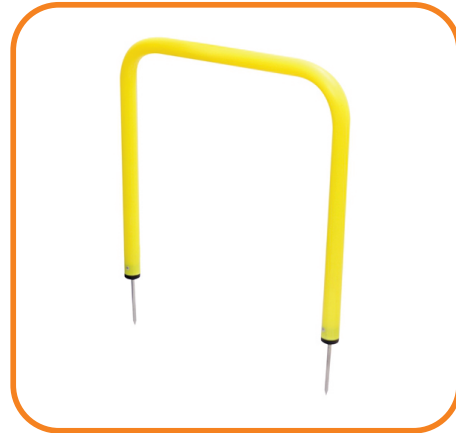

**HIMAX TRAINING ARC 4.0**  
Made of high quality plastic tube with multi height adjustable function for different variations during training with metal spike.  
HTA-400

**HIMAX TRAINING ARC 1.0**  
Made of high quality plastic tube with metal spike for easy placement on the field  
HTA-100.

**HIMAX TRAINING ARC 3.0**  
Made of high quality plastic tube 25mm dia with removable metal spike.  
HTA-300

**HIMAX TRAINING ARC 2.0**  
Made of high quality plastic tube with metal spike.  
HTA-200

**HIMAX PLASTIC BASE 2.0**  
Made of virgin plastic. Suitable for 25mm - 33mm dia pole.  
HPB-200

**HIMAX PLASTIC BASE 1.0**  
Made of virgin plastic. Suitable for 25mm pole  
HPB-100.

**HIMAX SPARE POLE C2.0**

Made of plastic tube 25mm dia with connector for easy storage available in different length.  
HSPC-225160  
HSPC-225120

**HIMAX SPARE POLE P1.0**

Made of plastic tube 25mm dia available in different length.  
HSPP-125160  
HSPP-125120

**HIMAX SLALOM POLE 4.0**

Made of plastic tube with removable spring concept, 170cm long.  
HSP-425160  
HSP-425120

**HIMAX SLALOM POLE 3.0**

Made of plastic tube with rubber covered spring, 170cm long.  
HSP-325160  
HSP-325120

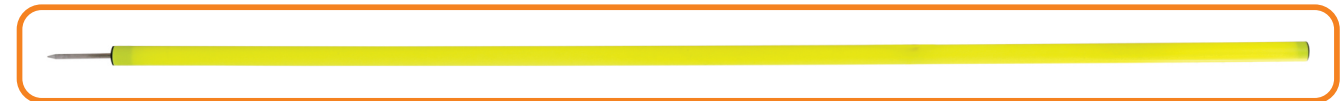

**HIMAX SLALOM POLE 2.0**

Made of plastic tube, 170cm long.  
HSP-225160  
HSP-225120

**HIMAX SLALOM POLE 1.0**

Made of plastic tube with removable spike, 170cm long.  
HSP-125160  
HSP-125120

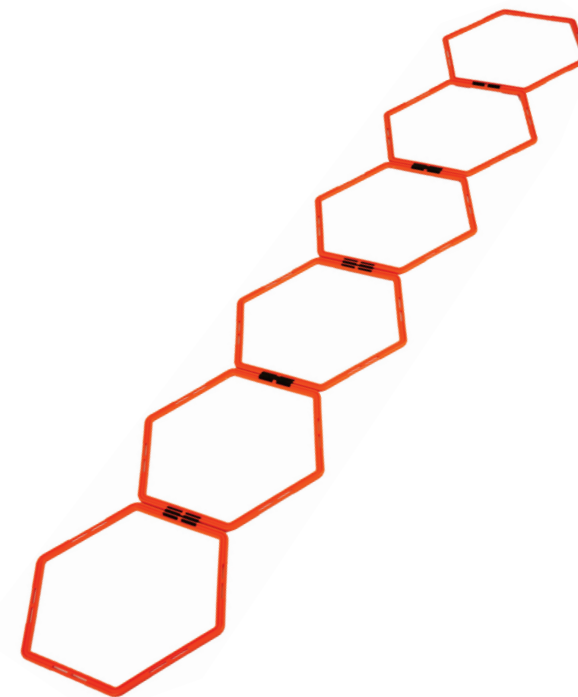

**HIMAX SKIP ROPE OPAQUE**  
Made of solid PVC with small plastic handles, 3 meter long.  
HSRO-300

**HIMAX SKIP ROPE CORD**  
Made of braided polypropylene cord, 3 meter long.  
HSRC-300

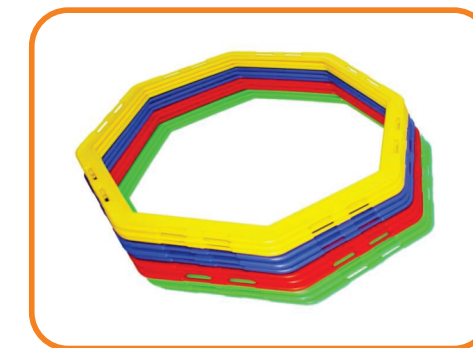

**HIMAX SKIP ROPE TRANS**  
Made of clear PVC with small plastic handles, 3 meter long.  
HSRT-300

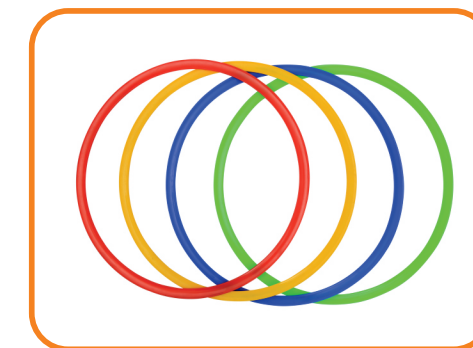

**HIMAX OCTAGON LADDER 1.0**  
Made of plastic rings with plastic connector to change the design as per your requirement with carry bag.
